YOUR COMMUNITY FOUNDATION

Nau mai, haere mai

To make a real and lasting difference in our community, Momentum Waikato takes the complexity out of giving.

Our role as a Community Foundation is to nurture and build our communities' strengths and assets, linking generous donors to projects that create a transformational difference. Community Foundations are a

100-year-old worldwide movement and the fastest growing form of philanthropy globally.

Momentum Waikato is building a permanent endowment fund for the region, keeping capital intact and generating returns to make grants to local change agents. We are here to assist you in supporting the things you care about deeply.

THE WILL TO GIVE

You can shape a better future for your region and community.

We offer independent philanthropic advice to you regardless of the size of your gift, with no strings attached. We encourage you to speak with your lawyer, accountant or financial advisor.

By leaving a gift in your Will to Momentum Waikato, you will help create change through generating income to make grants. These are targeted at activities addressing our communities' greatest needs and challenges, as identified through Waikato Vital Signs®.

A gift in your Will to our endowment fund will make a positive difference in our impact areas of children and youth, recreation and sport, education, economic vitality, environment, culture and arts, health, and strong communities.

There are a number of ways your gift can make a difference to the things that matter most to you.

- Leave a gift in your Will to a chosen charity.
- Set up a fund named after your family or loved one with a donation of \$50,000 or more.

“We can make our patch, the place we call our home, even better for our children, their children, and the generations that follow. The independence, flexibility and integrity of Momentum Waikato provides the opportunity for every Waikato citizen to donate. Your family can be part of philanthropy, now and forever, through the Momentum Waikato Endowment Fund.”
